

DATE: May 13, 2014

**Production Alert: Highway 1 – Pacific Coast Highway – No filming involving ITC or other traffic control between the 10 Freeway and Pena Road**

Be advised that effective immediately Caltrans will not be issuing film permits involving ITC or other traffic control for the stretch of Pacific Coast Highway between the 10 Freeway and Pena Rd. (PM 41.82).

This is due to the significant impact of a Los Angeles Public Works sewer replacement project on PCH between the McClure Tunnel near the 10 Freeway and Sunset Blvd.

This restriction will be in place until the end of the project, estimated to be April 15, 2015.

Should you have any questions, please contact Roger San Juan at Caltrans at 213-897-0282.
